

Personnel

Professional Personnel - Student Teachers

Opportunities will be provided students from college and university approved teacher-training programs to do student teaching in the District. The Superintendent or a designee shall be responsible for screening qualifications and for their orientation, assignment and training program.

Student teachers will be assigned to supervising teachers whose qualifications are acceptable to the District and the students' respective colleges or universities.

LEGAL REF.: 105 ILCS 5/10-22.34.

ADOPTED: September 8, 1997

AMENDED: May 18, 2009
