### Part-Time Attendance By Private, Parochial, and Home-Schooled Students

The District accepts nonpublic school students, including parochial and home-schooled students, who live within the District for part-time attendance in the District's regular education program on a space-available basis. Requests for part-time attendance must be submitted to the principal of the school in the school attendance area where the student resides. All requests for attendance in the following school year must be submitted before May 1.

Except for home-schooled students, nonpublic students, regardless of whether they attend a District School part-time, will not be allowed to participate in extracurricular activities.

Home-schooled students will be allowed to participate in extracurricular activities if they adhere to the following requirements for participation.

1. Student must be taking a minimum of twenty (20) credit hours of work (the equivalent of four full credit courses).
2. Parent must present documentation weekly of the student's progress. Parent and school will design the best way to report weekly progress.
3. Student must participate in activities at the assigned resident school.

Students accepted for partial enrollment must comply with all discipline and attendance requirements established by the school. A private school student may attend any co-curricular activity associated with a District class in which he or she is enrolled. The parent(s)/guardian(s) of a student accepted for part-time attendance is responsible for all fees, pro-rated on the basis of a percentage of full-time fees. Transportation to and/or from school is provided to non-public school students on regular bus routes to or from a point on the route nearest or most easily accessible to the non-public school or student's home. This transportation shall be on the same basis as the District provides transportation for its full-time students. Transportation on other than established bus routes shall be the responsibility of the parent(s)/guardian(s).

### Students With a Disability

The District will accept for part-time attendance those students with disabilities who live within the District and are enrolled in non-public schools. Requests must be submitted by the student's parent(s)/guardian(s). Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by state law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's individualized educational program on the basis of the child's disabling condition or as the special education program location may require.

### Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Illinois State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) be awarded academic credits from the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be made according to School Board policy 7:30, Student Assignment, as well as administrative procedures implementing this policy.
