

Community Relations

Gifts to the District

The Superintendent shall recommend to the School Board acceptance of gifts from any education foundation or other entity or individual, provided the gift can be used in a manner compatible with the Board's educational objectives and policies. While the Board encourages unrestricted gifts, donations to fund specific projects are acceptable if the project is approved by the Board. All gifts received become the School District's property and the board secretary will write a letter of thanks to the donor.
