

CATALOG

The image displays two screenshots of the Digital Print Shop website. The left screenshot shows the main catalog page with a search bar, a 'Print Shop Services' section, and a 'Catalog' sidebar. A red arrow points from the 'CURRICULUM' link in the sidebar to the right screenshot. The right screenshot shows the 'CURRICULUM' sub-page with a search bar, a 'View By' dropdown, and a list of curriculum categories like 'Elementary Curriculum Parent Sheets', 'ISEL', 'Macmillan/McGraw-Hill Reading', and 'Math'. A red arrow points from the 'CURRICULUM' link in the sidebar of the left screenshot to the 'CURRICULUM' section of the right screenshot.

Choose a category, then select the sub category.

When choosing the Macmillan/McGraw-Hill Workbooks, if you only need certain pages in a file, list the pages you would like printed in "Special Instructions".
