## USED FOR ?

Each individual donor/organization may select the individual, school or schools the donation should be applied to. If the donor does not specify, the funds will be distributed, based on enrollment, at all VVSD schools. ### PAYMENT

Attach the form below along with cash or check (written to: VVSD Nutrition Services Dept. In memo, note: Hunger Free Fund donation). At this time, we're unable to accept credit card payments but are working towards adding this option for our donors.

### TAX-EXEMPT

The Valley View School District is not able to provide a tax exemption letter as we are not a 501c and therefore are not a tax exempt entity. If you prefer to make a charitable and tax exempt donation to VVSD, consider a donation to the Valley View School District Foundation which is a 501c3 entity.
