

A Million Dreams

I close my eyes and I can see a world that's waiting up for me that I call my own.
Through the dark, through the door, through where no one's been before, but it
feels like home.

They can say, they can say it all sounds crazy.

They can say, they can say I've lost my mind.

I don't care, I don't care, so call me crazy.

We can live in a world that we design.

'cause ev'ry night I lie in bed the brightest colors fill my head

A million dreams are keepin' me awake.

I think of what the world could be, a vision of the one I see

A million dreams is all it's gonna take.

Oh, a million dreams for the world we're gonna make.

There's a house we can build ev'ry room inside is filled with things from far
away.

(Special things I compile, each one there to make you smile,) on a rainy day.

They can say, they can say it all sounds crazy.

They can say, they can say we've lost our minds

I don't care, I don't care if they call us crazy.

Run away to a world that we design.

Ev'ry night I lie in bed, the brightest colors fill my head a million dreams are
keepin' me awake.

I think of what the world could be, a vision of the one I see, a million dreams is
all it's gonna take.

Oh, a million dreams for the world we're gonna make.

However big, however small, let me be part of it all

Share your dreams with me

You may be right, you may be wrong, but say that you'll bring me along

To the world you see, to the world I close my eyes to see,

I close my eyes to see.

'cause ev'ry night I lie in bed, the brightest colors fill my head

(A million dreams are keeping me awake)

A million dreams, a million dreams

I think of what the world could be, a vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make,

For the world we're gonna make.

Pure Imagination

Come with me and you'll be in a world of pure imagination.

(Take a look and you'll see into your imagination.)

We'll begin with a spin trav'ling in the world of my creation.

What we'll see will defy explanation.

If you want to view paradise, simply look around and view it.

Anything you want to, do it.

Want to change the world? There's nothing to it.

There is no life I know to compare with pure imagination.

Living there, you'll be free if you truly wish to be.

If you want to view paradise

(Simply look around and view it)

Anything you want to, do it.

Want to change the world? There's nothing to it.

There is no life I know to compare with pure imagination.

Living there, you'll be free if you truly wish to be.

Oooo

Sing, Sing, Sing

Sing, sing, sing, sing. Ev'rybody starts to sing

La-dle-la. Whoa-ho-ho

Now you're singing with a swing.

Swing, swing, swing, swing, ev'rybody starts to swing

La-dle-la. Whoa-ho-ho.

Now you're swinging while you sing.

When the music goes around ev'rybody goes to town,

But here's something you should know, ho-ho baby, ho-ho-ho.

Sing, sing, sing, sing, ev'rybody start to sing.

La-dle-la. Whoa-ho-ho.

Now you're singing with a swing.

Lift Up Your Voices

Lift up your voices and sing a loud song.

Softly and smoothly as we sing along.

Join your voices, sing a loud song.

God Bless the USA

From the lakes of Minnesota to the hills of Tennessee,
Across the plains of Texas, from sea to shining sea,
From Detroit down to Houston and New York to LA

Well, there's pride in ev'ry American heart and it's time to stand and say:

that I'm proud to be an American, where at least I know I'm free.

And I won't forget the ones who died, who gave that right to me.

And I'd gladly stand up next to you, and defend her still today.

'cause there ain't no doubt I love this land, God bless the USA.

And I'm proud to be an American, where at least I know I'm free.

And I won't forget the ones who died, who gave that right to me.

And I'd gladly stand up next to you, and defend her still today,

'cause there ain't no doubt I love this land,

I love this land, God bless the USA.
